Domaine Latour-Giraud

Meursault

Meursault Cuvée Charles Maxime

Grower

The Latour family has worked the vines of Meursault since the end of the 17th century, and the domaine took its present name in 1958 when the Latour and Giraud families were joined by marriage. Jean-Pierre Latour now has 10 hectares under vine, around 80% of them white, with most of the white vines in five Meursault premiers crus. Wonderfully sited vineyards, low yields, meticulous winemaking and no fining or filtration make this one of the most exciting domaines in the village.

Vineyards

A village Meursault blended from several of the domaine's climats, including Les Vireuils, Les Pelles and Les Corbins, bringing together the different soils of the appellation. The cuvée is named after the two grandfathers, Charles Giraud and Maxime Latour.

Vinification

Fermented and matured in barrel, around one third new, for 15 to 16 months, then bottled without fining or filtration.

Style

A plump, generous Meursault with roundness, softness and fresh acidity, and the hazelnut notes typical of the village. Best within 6 to 7 years. Serve at 13 to 14°C with crayfish, white meat or fine fish.
