THORMAN HUNT

EST. WINE SHIPPERS 1978

Domaine Latour-Giraud

Meursault

Meursault 1er Cru Genevrières

Grower

The Latour family has worked the vines of Meursault since the end of the 17th century, and the domaine took its present name in 1958 when the Latour and Giraud families were joined by marriage. Jean-Pierre Latour now has 10 hectares under vine, around 80% of them white, with most of the white vines in five Meursault premiers crus. Wonderfully sited vineyards, low yields, meticulous winemaking and no fining or filtration make this one of the most exciting domaines in the village.

Vineyards

Genevrières covers 16 hectares in the heart of the Meursault premiers crus, south of the village. Its name comes from the juniper trees that once grew there. With 2.5 hectares in two parcels at the top of the vineyard, the domaine is the largest owner of this premier cru. The soil is a mosaic of limestone, ideally suited to Chardonnay.

Vinification

Fermented and aged entirely in French oak barrels, around 20% new, for 15 to 18 months, then bottled without fining or filtration.

Style

A Meursault of fine structure: round, deep and smooth, with minerality, energy and elegance. It can age for up to 10 years. Serve at 13 to 14°C with duck liver pâté or fish.

Grape varieties:
100% Chardonnay

Bottling options:
75cl

Closure:
Cork

Suitable for:
Vegetarians and vegans
