Domaine Michel Gros

Vosne-Romanée

Vosne-Romanée 1er Cru Clos de Réas

Grower

The Gros family have been vignerons in Vosne-Romanée since 1830. Domaine Michel Gros was created in 1995 when Jean Gros retired and divided the domaine among his three children, and in 1997 the Ecard family entrusted Michel with their 3.5 hectares in Vosne-Romanée and Nuits-Saint-Georges. Michel's son Pierre took over in 2019 and has moved the domaine closer to organic viticulture. There are 18 hectares under vine, half in the Côte de Nuits and half in the Hautes-Côtes. Yields are kept low, everything is picked by hand and there is a rigorous sorting before total destemming.

Vineyards

Alphonse Gros bought this walled vineyard in 1860. It sits on the hillock overlooking the small Réas valley, on a subsoil of salmon-coloured conglomerate over Oligocene strata, with many limestone blocks alternating with marls. The marls bring silky tannins, perfume and a gentle acidity.

Vinification

Traditional vinification with total destemming and a gentle extraction using both pigeage and remontage. Matured for 18 months in barrel, 50 to 70% new depending on the vintage, with a single racking after the malolactic fermentation. The barrels are blended at 18 months and the wine is fined with egg white before bottling.

Style

Rich, pure and concentrated, with remarkable freshness and balance. Approachable young, it can age for 10 to 15 years while keeping its fruit and freshness.
