Domaine Michel Gros

Vosne-Romanée

Fontaine St Martin Bourgogne Hautes-Côtes de Nuits Blanc

Grower

The Gros family have been vignerons in Vosne-Romanée since 1830. Domaine Michel Gros was created in 1995 when Jean Gros retired and divided the domaine among his three children, and in 1997 the Ecard family entrusted Michel with their 3.5 hectares in Vosne-Romanée and Nuits-Saint-Georges. Michel's son Pierre took over in 2019 and has moved the domaine closer to organic viticulture. There are 18 hectares under vine, half in the Côte de Nuits and half in the Hautes-Côtes. Yields are kept low, everything is picked by hand and there is a rigorous sorting before total destemming.

Vineyards

From the domaine's Fontaine Saint Martin monopole in the Hautes-Côtes, at 360 to 380 metres. The soil is mainly marl, the so-called Marls of Pernand also found on the hill of Corton, which explains the similarity with wines from there, while the altitude brings extra freshness. Guyot pruned.

Vinification

Destemmed, crushed and given a skin maceration in tank, then fermented in temperature-controlled tanks and moved to barrel, around 20% new, to finish fermenting. The lees are stirred until the malolactic fermentation is complete, then the wine is blended in tank and filtered before bottling.

Style

Rich, pure and concentrated, with remarkable freshness and balance from the altitude of the vineyard.
