Domaine Michel Gros

Vosne-Romanée

Fontaine St Martin Bourgogne Hautes-Côtes de Nuits Rouge

Grower

The Gros family have been vignerons in Vosne-Romanée since 1830. Domaine Michel Gros was created in 1995 when Jean Gros retired and divided the domaine among his three children, and in 1997 the Ecard family entrusted Michel with their 3.5 hectares in Vosne-Romanée and Nuits-Saint-Georges. Michel's son Pierre took over in 2019 and has moved the domaine closer to organic viticulture. There are 18 hectares under vine, half in the Côte de Nuits and half in the Hautes-Côtes. Yields are kept low, everything is picked by hand and there is a rigorous sorting before total destemming.

Vineyards

A 7-hectare hillside monopole in the Hautes-Côtes, facing east south east like the Côte de Nuits and rising in tiers between 350 and 390 metres. Michel Gros planted 4 hectares of Pinot Noir here between 1981 and 1986. The limestone and marl soil, known as the Marls of Pernand, is the same geological stage as the hill of Corton, 5 km to the south.

Vinification

Traditional Burgundy vinification. The wine spends its first 6 months in large oak casks in the old cellar beneath Jean Gros's house, then around 12 months in barrels that have held the domaine's higher-ranked wines, which adds to its complexity.

A pure, fresh red bursting with fruit, with a silky tannic structure and lovely acidity.
