Domaine Feuillat-Juillot

Montagny

Montagny 1er Cru
Les Grappes d'Or

Grower

Françoise Feuillat-Juillot, daughter of the Mercurey producer Michel Juillot, grew up among the vines and barrels of her family domaine before taking a degree in oenology at Dijon University. Her daughter Camille has joined her as a full partner. The domaine has 14 hectares of mainly old vines spread across 13 premiers crus in the amphitheatre of Montagny. The soils are worked mechanically, every grape is picked by hand and the whole domaine has been farmed organically since 2021.

Vineyards

Les Grappes d'Or comes from six parcels of old vines classified Premier Cru, some 6 hectares in all, facing east at around 300 metres on clay-limestone soils. The cuvée was created in 2004, when Françoise bought the domaine with the help of a group of investors called "Les Grappes d'Or".

Vinification

Hand harvested. Alcoholic and malolactic fermentation 70% in temperature-controlled vats and 30% in French oak barrels from the Allier and Vosges forests. The wine stays on its fine lees for 8 to 10 months before bottling.

Style

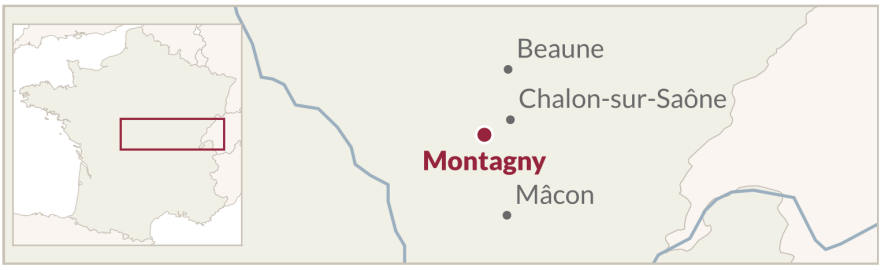

Concentrated and mineral, supple and well balanced, with a fresh, lively finish. Lovely with grilled sole or sea bass with beurre blanc.
