Domaine Feuillat-Juillot

Montagny

Montagny
“Les Crêts”

Grower

Françoise Feuillat-Juillot, daughter of the Mercurey producer Michel Juillot, grew up among the vines and barrels of her family domaine before taking a degree in oenology at Dijon University. Her daughter Camille has joined her as a full partner. The domaine has 14 hectares of mainly old vines spread across 13 premiers crus in the amphitheatre of Montagny. The soils are worked mechanically, every grape is picked by hand and the whole domaine has been farmed organically since 2021.

Vineyards

Les Crêts is a 1 hectare monopole lieu-dit high on the hillside above the village, facing east at around 350 metres, on clay-limestone soils.

Vinification

Hand harvested. Alcoholic and malolactic fermentation in temperature-controlled vats, with no oak, to keep the wine's freshness. The wine stays on its fine lees for 8 months before bottling.

Style

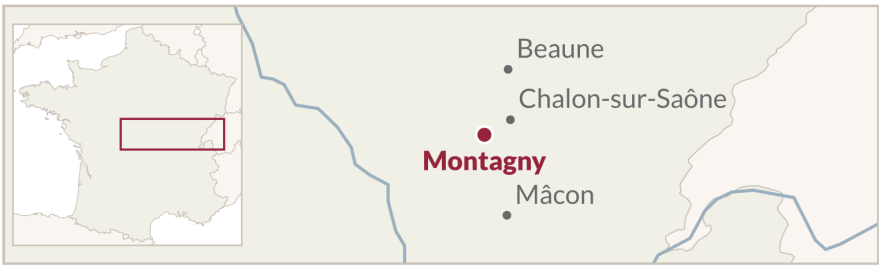

Floral and zesty with good minerality: a round palate and a fresh, mineral finish. Best enjoyed in its youth, as an aperitif or with shellfish and tuna tartare.
