Grower

Raspail-Ay is one of the most celebrated traditional estates in Gigondas. Owner Dominique Ay has been joined by his son Christophe and daughter Anne-Sophie, and the 18 hectares of vineyards are positioned all around the house.

Vineyards

The vineyards lie at the foot of the village of Gigondas, on slightly rolled limestone debris, marl and sand. They are farmed with reasoned agriculture, working the soil and keeping treatments to a minimum.

Vinification

The grapes are fully destemmed and vinified in cement tanks, then aged in a mix of foudres and concrete vats. The wines are never fined and rarely filtered.

Style

A traditional, generously fruited Gigondas with the structure to age well. A natural partner for roast and braised meats and game.
