Domaine Fayolle Fils et Fille, Gervans

Crozes Hermitage Rouge Sens

Grower

At the heart of the historical part of Crozes Hermitage, unfolds the singular domain Laurent Fayolle. Here, Laurent and Céline take a fresh look on the family estate, valuing a legacy of 150 years. They turn to natural methods and sustainability and are committing to organic farming. Laurent is turning this 10-hectare domaine into a leader of the appellation. He has expanded his cellar and is now able to move his wine by gravity. These are all classically made wines.
