## Domaine Feuillat-Juillot, Montagny

### Montagny 1er Cru Les Coères

#### Grower

Françoise Feuillat-Juillot is the daughter of the highly regarded Mercurey producer, Michel Juillot. She grew up amongst the vines and barrels of her family domaine, before studying in Paris and completing a degree in oenology at Dijon University. She now has 14 hectares of wonderfully sited, mainly old vines, spread amongst 13 different premier crus in the viticultural amphitheatre that is Montagny. She practices a very strict and meticulous form of sustainable viticulture, works the soils mechanically and all grapes are picked by hand.

#### Vineyard

With its 34 hectares, "Les Coères" is the biggest climat of the appellation Montagny 1er cru. Their 4 hectares are ideally located on a slope oriented East/South-East with a diversity of soils compositions which give high quality wines. Altitude: 300 meters. Exposure: East/South East. Soil: Marl and limestone. Age of vines: 60 years old.

#### Vinification

The alcoholic fermentation and the malolactic fermentation take place in French oak barrels of 500 litres. The wine is aged on fine lees for 12 months.

#### Style

Gleaming pale gold in colour, with good aromatic intensity on the nose offering rich aromas of white fruits and vanilla intermingled with marshmallow and patisseries. Impressive volume on the first palate. A rich and finely honed wine with a generous finish.
